

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

MAYTRONICS, LTD.,

CASE NO. 2:23-cv-1406

Plaintiff,

MINUTE ORDER GRANTING  
UNOPPOSED MOTION TO EXTEND  
TIME

CHASING INNOVATION  
TECHNOLOGY CO., LTD. and  
CHASING TECHNOLOGY (USA),

## Defendants.

On November 10, 2023, Plaintiff Maytronics, Ltd. filed its Stipulation For Extension of Time And Proposed Order. Dkt. No. 10. In its motion, Maytronics states that Defendant Chasing Innovation Technology Co., Ltd. has agreed to waive service. *Id.* Maytronics represents that it and Defendants agreed to extend the time for Defendants to “answer, respond, or otherwise defendant against the complaint” in this matter, and as good cause, states that it would be “most efficient for both Defendants to answer, respond, or otherwise defend against the complaint on the same schedule.” *Id.*

1 Maytronics notes that Defendants have not appeared in this action, but that  
2 they “authorized Plaintiff to file this stipulation on their behalf.” *Id.* Because the  
3 motion is only signed by Maytronics’s counsel, the Court considers the request as an  
4 unopposed motion rather than a stipulated one. The noting date remains the same.  
5 *See LCR 7(d)(1).*

6 Having considered Maytronics’s motion, Court finds good cause to grant its  
7 request:

8 (1) Defendants will answer, respond, or otherwise defend against the  
9 complaint by January 16, 2024.  
10 (2) The initial disclosure deadline is extended to December 6, 2023.  
11 (3) The Joint Status Report and Discovery Plan is extended to December 13,  
12 2023.

13 It is so ORDERED.

14  
15 Dated this 22nd day of November, 2023.
